HATS OFF TO OUR FRONT-LINE WORKERS

Back in 2014 we celebrated volunteers with our [Hats Off to Volunteers Activity](#). This year we want you to celebrate front-line workers. All you need to do is create fun and quirky hats out of any materials you can find in your home or garden, take a picture of yourself in your hat and post and tag us to Instagram using the hashtag [#hatsofftofrontlineworkers](#)

HEAR US NOW!

Back in 2015 our [Hear Us Now Activity](#) amplified the voices of young people to be heard. The Covid-19 pandemic has been hard on everyone, especially young people who have had their lives restricted, so we want to hear from you - tell us about your experience of Covid-19 - what have you learnt about yourself during this time. You can write this down, take a picture or video that sums it up and post and tag to Instagram using the hashtag [#hearusnow](#)
All entries go into a hat with a winner picked out for a €50 H&M Voucher
